

Event Information

The Ugly Duckling is our large, self-contained function space at The Stamford catering for up to 150 guests for all occasions. With a private entrance and feature island bar it's a great space for a get together

Celebration Of Life

We're experienced in delicately handling your celebration of life gathering for your loved one. We understand it's a difficult time and will try our best to make our part of your day as stress free as possible. Only a short drive from Altrincham Crematorium and with ample on-site parking it's an ideal choice. We offer a selection of hot and cold buffet options or if you'd prefer something more bespoke we are always happy to sit down to discuss options with our event manager and head chef. There are no hire fees or minimum spends during the week, all we ask is you vacate the space by 6pm if there's a function on later in the evening. We can always accommodate a private space in the main pub after this time if needed.

Birthday & Celebration Cakes

Bringing a birthday or celebration cake is fine with us, we just ask that you don't bring it more than one day in advance as we lack for storage. Also please don't burn the place down with over-ambitious candles

Music & Entertainment

We have an in-house dj set up installed in the space. For an additional charge we can provide entertainment via our resident dj's or live musicians. There is a volume limiter on our system to ensure we don't upset the neighbours

Parking

Our free carpark is available to use just past the stables 100 yards further down The Firs. Disabled parking is available on the roadside

Room Hire

Exclusivity is granted in the Ugly Duckling function room for large parties. This includes personal bar service and your own server. We work on a minimum spend in this space rather than a room hire fee. Minimum spends are as follows;

Monday – Thursday – No minimum spend
Friday (daytime) – No minimum spend
Friday (evening) – £1500 minimum spend
Saturday (daytime) – £1500 minimum spend
Saturday (evening) – £1500 minimum spend
Sunday (daytime winter only) – £2500 minimum
Sunday (evening) – £1500 minimum spend

Minimum spend includes all sales in the area (both what you and your guests spend). If the minimum spend is not met we will charge a £200 room hire fee in order to cover staffing costs.

For smaller events we can offer an area of the main pub including; The Snug (up to 15 guests comfortably), Around The Fireplace (up to 50 guests comfortably). These are more casual areas with service from the main bar shared with regular guests.

Other Bits & Bobs

50% deposit on food must be received at least 3 days prior to the reservation date. If a bar tab is sought, we ask for 100% pre-payment of the agreed limit

All daytime functions must be departed by 6pm so we can get open for any evening service on that day. If you would like to stay later please let us know, if there is no function on later, it's yours as long as you need it or alternatively we will reserve you an area in the pub

Please let us know in advance of any special arrangements including room decoration or visual media equipment and we will do our best to accommodate you

Not What You're Looking For?

For smaller more intimate gatherings we have plenty of nooks and crannies in the main pub area for your gathering where we can offer a sit down meal or drinks for up to 25 guests. There is no room hire or. Minimum spend for these areas but they may not be as private as the function space.

We do on occasions offer the whole venue for private hire for very large events, if this is something you're thinking about please give us a shout to discuss
